TOOELE, UT 84074

Dear MELANIE ANDREASON,

Each year we are required by the US Department of Agriculture, to ensure that only eligible children receive free or reduced price meals. Applications are chosen at random to verify eligibility. When an application is chosen, the parent or guardian must then provide certain information.

Your Application has been chosen to be verified for eligibility. The information we are requesting:

1. Any pay stub from July 2013 to November 2013, that will verify the gross income you claimed on your application and all household members you submitted with income.
2. Legal, documents that show the amount you may receive for Social Security Income/ retirement, unemployment benefits, child support, or welfare money.
3. If the child on your application is a foster child, provide written documentation that verifies the child is the legal responsibility of the state or court.

Please return all paperwork requested, so not to delay the verification process. You must respond to this request by 10/1/2013 . If there is no response, your child(ren) benefits will automatically change to full pay on 10/1/2013. Even if you feel you no longer qualify, please contact us. We are required by law to have a response from everyone chosen for this verification process.

You may respond by sending or bringing the requested information to the address at the top of this letter.

If for some reason you do not have the documents requested, or do not understand what we are requesting, please call us before 10/1/2013, at (555)000-0000. You will be notified of the results of this verification after we have received your information.

### NOTIFICATION OF CHANGE OF FREE OR REDUCED PRICE MEAL BENEFITS

MELANIE TAYLOR  
286 AMSTERDAM DR  
TOOELE, UT 84074

Dear MELANIE TAYLOR,

As a result of our verification, your eligibility for all children was changed from free to reduced price eligibility. Beginning 10/1/2013 you will be required to cover the cost of reduced price meals. You must tell the school when your household size or income changes.

If you do not agree with this decision, you may discuss it with the Child Nutrition Department by contacting your student's school.

### FAIR HEARING PROCEDURES

The Child Nutrition Programs have established fair hearing procedures under which a family can appeal a decision made by the Local Education Agency with respect to the family's free and reduced-price meals or free milk. During the appeal and hearing process, the child will continue to receive the same level of benefits.

Prior to initiating the hearing procedures, the school official or the parent(s) or guardian(s) may request a conference to provide an opportunity for them to discuss the situation, present information, obtain an explanation of data submitted on the application, and clarify the decisions rendered. **Such a conference shall not in any way prejudice nor diminish the right to a fair hearing.**

The following fair hearing procedures shall prevail:

1. Parent(s) or guardian(s) can appeal orally and/or in writing the decision of the approving officer to the school or food service supervisor. Enough information must be provided to identify the situation. The appeal statement should contain (a) the date, (b) the child's name, (c) the school where meal benefits were denied, (d) the category being sought, (e) a request for the decision to be appealed, and (f) an adult signature.
2. Parent(s) or guardian(s) may be assisted or represented by an attorney or other person if they so desire.
3. The household members and the Local Education Agency shall have an opportunity to examine, prior to and during the hearing, the documents and records supporting the decision under appeal.
4. Reasonable promptness and convenience in scheduling a hearing and adequate notice as to its time and place shall be provided.
5. An opportunity shall be afforded both sides to present oral or documentary evidence and arguments supporting the position without undue interference.
6. An opportunity to question or refute any testimony or other evidence and to confront and cross examine any adverse witness (es) shall be given.
7. The hearing shall be conducted and the decision made by an official who did not participate in the decision under appeal or any previous conference(s).
8. The parties concerned and any designated representative shall be notified in writing of the decision.
9. A written record for each hearing will be prepared, including (a) the decision under appeal, (b) any documentary evidence and a summary of any oral testimony presented at the hearing, (c) the decision of the hearing official and the reasons for it, and (d) a copy of the notification to the parties concerned of the decision.
10. The written records must be retained for a period of three years after the close of the school year(s) to which they pertain. These records must be made available for examination by the parties concerned or their designee at any reasonable time and place during that period.
